

UNITED MEDEVAC SOLUTIONS

A Higher Level of Healthcare

ABOUT US

Founded in 2005, United Medevac Solutions, Inc. (UMS) is a clinician and woman-owned small business (WOSB) providing unrivaled specialty healthcare programs to the Department of Defense (DoD) and private clients. We provide a *higher level of healthcare* to our clients through swift ground and air ambulance transport services (i.e., 911 emergent and non-emergent response and transfer services), comprehensive EMS Medical Direction, responsive dispatch services, and full spectrum healthcare staffing nationwide.

OUR MISSION & VISION

UMS elevates the standard of medical care and redefines the way healthcare is delivered. Our mission is to provide a higher level of healthcare through ground and air ambulance transportation, medical staffing solutions, dispatch/communication services, and medical direction for our clients.

Every action we take, every service we provide, and every life we touch is driven by a profound commitment to patient and customer-centered care. Our credentialed healthcare providers are the cornerstone of this vision, going above and beyond in every aspect to save lives. We are not just a company; we are a beacon of hope in the face of adversity.

UMS finds solutions to best serve our patients and clients, setting the standard for what is possible in healthcare by providing a comprehensive circle of care.

SERVICES

AMBULANCE TRANSPORTATION

Since our inception 2005, we have provided exceptional, concurrent air and ground EMS personnel and vehicle support for private and Federal Government clients across the continental United States for local, inter-state, and international patient transportation. Our diverse team is known for combining the best of healthcare practices with military precision to ensure clinical and operational excellence. As a trusted provider of ground and air ambulance support services in multiple military installations nation-wide, we honed our skills in the most demanding of environments. Having overcome the challenges related to operating under stringent conditions while facing challenging scenarios, our reliability and experience equips us with the knowledge, adaptability, and resilience needed to successfully handle any situation that may arise during the patient's journey.

24/7 DISPATCH CENTER

UMS's nationwide 24/7 command/dispatch center provides direct communications, allowing us to respond swiftly and execute complex assignments for our clients. We understand that the seamless coordination of emergency and non-emergency ambulance services is a critical component of patient care. Our dispatch and communication services are the backbone of our operation, ensuring that help is just a call away, 24/7, for our clients. We are proud to serve both the Department of Defense (DoD) and private clients with the same military precision, compassion, and unwavering dedication. Our emergency dispatch services are reliable and fully compliant with the stringent standards required by the DoD. For private clients, our commitment to quality remains paramount, ensuring a higher level of healthcare.

MEDICAL STAFFING

UMS is a comprehensive medical staffing solution. We credential and staff a variety of medical professionals (e.g., nurses, physicians, technicians, therapists, and/or specialists, among others). We have the resources and expertise to provide you with the right personnel to support any healthcare mission. We approach every situation with empathy; we are committed to healthcare that prioritizes the patient's needs, comfort, and well-being.
